#サケバト

SAKEBATO

Overview

Stack up the alcohol percentages!

A burst-style drinking card game where going over 100% means you lose!

Contents

50 cards featuring 5 types of drinks and their alcohol percentages

There are two editions with different illustrations:
Going-Out Edition and At-Home Edition.

How to Play

Setup Shuffle the cards and deal 1 card to each player.
Decide who goes first.

On Your Turn

- Draw 1 card from the deck.
- Choose 1 card from your hand and play it face up.
- Stack it on top of the cards already played.
- Add up the alcohol percentages of all cards in play and announce the total.

How to Lose

- If the total alcohol percentage exceeds 100%, you lose.
- ※ Exactly 100% is safe!
- If you make a mistake when calculating the total alcohol percentage, you lose.

Special Effect: Water (0%)

- When you play a Water (0%) card, choose 1 card from the cards in play and remove its alcohol percentage from the total.

Detailed instructions are in the rulebook.
